

ABHAROÑ CIB RETREAT

KNOW YOUR MISSION AS A SOUL IN THE NEW HUMANITY
MARCH 11 TO 14, 2022

THE JOURNEY BACK TO YOSOY HAS BEGUN, UNFOLD YOUR WINGS AND START THE MAGIC FLIGHT.

Abharoñ Cib. Bridge to the New Humanity. Creator of subtle spaces of transmutation.

PURPOSE OF THE RETREAT

The time of living apart is over, of walking aimlessly, of searching blindly, of building from the outside. What you were not, what your ego prefers, what the world will give you is over...

We are in a New Time. A time to remember, to meet, to know your Mission in the New Earth, to awaken the incarnate god.

Everything is carefully prepared from Heaven, the open Portal, the stars aligned, the support of your guides, of Sananda and Lady Nada, the quantum magic of Abharoñ Cib, the space and love of your compatriots as sister souls. The only thing missing is you, your choice, your involvement, your permission to cross the Door that leads you to know who you will be in the New Humanity.

I AM Abharoñ Cib, Star Physician. And I incarnated to separate you from what you are not and show you your Soul Task.

The journey back to YOSOY has begun, spread your wings and start the Magical Flight.

ABHAROÑ CIB TEAM:

Abharoñ Cib

Star Doctor and activator of the Christic Codes 12.24.36

To get here, he had to learn to live outside of all egoic ways and without attachment to the Matrix. I have been saying for a long time that holistic psychology is not learned by studying what others said or discovered about human psychology in a physical university, however prestigious it may be. True psychology is acquired by allowing your shadows to pass through your spinal cord, turn you upside down and kill all egoic illusion based on awareness of the Being, unjudged self-observation and careful comprehensive sanitation of your person.

Everything in this meeting I put at your disposal is part of the conclusion of my personal and soul process learned through direct experience with the visible and invisible, the dense and subtle. It is not that I have not received professional training from other people: there are many who unknowingly indicated the path (Biodecoding, shamanism, daydreaming, development of subtle senses...), but my true teacher has been and is my Spirit. He communicates with me and teaches me everything I have to do at all times, in each private consultation or group meeting. There are other teachers and etheric guides who assist me with love and wisdom, but always through my Spirit or I AM.

I know from experience that gifts come when we are ready. And today I can say that my consultations were full of reliable and irrefutable evidence that healers are born, not made.

Abharoñ Cib. Bridge to the New Humanity. Creator of subtle spaces of transmutation.

The path to the Kadistu or Christic Project is full of revelations, channeling and healing of many souls. And I thank all of them for trusting in my healing abilities and for giving me the opportunity to materialize it through this me. Thanks also to the Gaia Project Designers for the 5th Dimension, the Administrators, Librarians, Geneticists, Elohims, the Ancients of Days, the Galactic Confederation and the Timeless Command that as Pure Cosmic Consciousnesses have provided me with the teachings and the perfect framework for the performance of my functions as embodied Stellar Doctors. My sacred Task is to reveal the distortions of the ego, the illusion of the Matrix and Activate the Christic Codes that every human being who decides to travel to the 5th Dimension will have to integrate from matter, consciousness and will to achieve such an unprecedented feat in Homo-Sapiens.
